The awards celebrating the institutions and individuals who have contributed to the advancement of the banking industry in the Middle East and Africa. M/HQ stood out for its holistic services to and guidance of clients – particularly successful individuals, international families, investment structures, and financial institutions seeking to implement wealth transfers strategies in the UAE, as the nation emerges as one of the world’s most compelling hubs for private wealth.

M/HQ has previously been awarded “Best Family Office Services” by MEA Finance (2022-2024) for its unparalleled integration of a private client specialist team with the dynamic capabilities of a full-service fiduciary platform and a regulatory & compliance services practice, all market-leading.

Yann Mrazek, Managing Partner of M/HQ, commented: “M/HQ is honoured to have been recognized as the “Best Private Client Services” firm at the *MEA Finance Awards*. As increasing numbers of high-net-worth individuals and multigenerational families continue to relocate to the UAE in record numbers, we are seeing a growing demand for robust, secure, future-ready legacy structures – particularly against the backdrop of the global geopolitical tensions and economic uncertainty.

“We are honoured that our clients continue to turn to and rely on M/HQ as a complete strategic partner, not just another service provider – trusting us to bring them clarity, purpose and enduring practical solutions that reflect their long-term vision.”
